

Meet Eon and Engie in NW Poland

28/3, Szczecin

Meet SEC in Szczecin (**Eon**), other local DH-operators and **Engie**. Totally 4 TWh heat sales. West Pommern region has 1,2 Million inhabitants. Largest city is Szczecin, with a population of more than 400 000.

We will have a unique coach and contact on this business mission. Håkan Hagström has been CEO of Eon Poland (owned by Eon Sweden) and active in Poland for 15 years, from acquisition, operations and divestment (to Engie). Håkan is still active as adviser to SEC and Chairman of the Board of some of the DH operators.

We will also have guidance from Marcin Laczynski, Export Sales at Mittel. Marcin is from Warsaw but based in Umeå.

Program

28/3 starting at 09.00.

-Presentation by SEC, Engie and the other DH-companies, about their needs.

-LUNCH

-Individual presentations by the Swedish suppliers.

-Individual meetings.

-DINNER

Optional: 27/3, departure with night ferry from Ystad to Swinoujscie. Arrival to Poland in the morning and transport to Szczecin. 28/3 transport to Swinoujscie and departure with night ferry to Ystad. Arrival in the morning, 29/3, to Ystad.
